PROMOTE YOUR BUSINESS

With a wide selection of features, Permalites® 365 are a great way to promote your business!

CUSTOM EFFECTS

Celebrate every special occasion with Permalites® 365 custom effects and light patterns. The Decor Smart app helps you instantly create any color pattern you want to display on your building.

BRIGHT & EFFICIENT

Permalites® 365 are brighter and longer lasting than any light on the market. Your building will shine the brightest out of everyone around you. Using less than .5 watt per light Permalites® 365 are very efficient at conserving energy.

DURABLE DESIGN

Permalites® 365 are designed to withstand all types of weather environments for years of enjoyment.

HOLIDAY LIGHTING

From Christmas to Halloween, Permalites® 365 has custom presets for every holiday in the year. For those fun nights and special events, easily change the colors of the presets in the Decor Smart app to match the mood you're looking for.

SECURITY LIGHTING

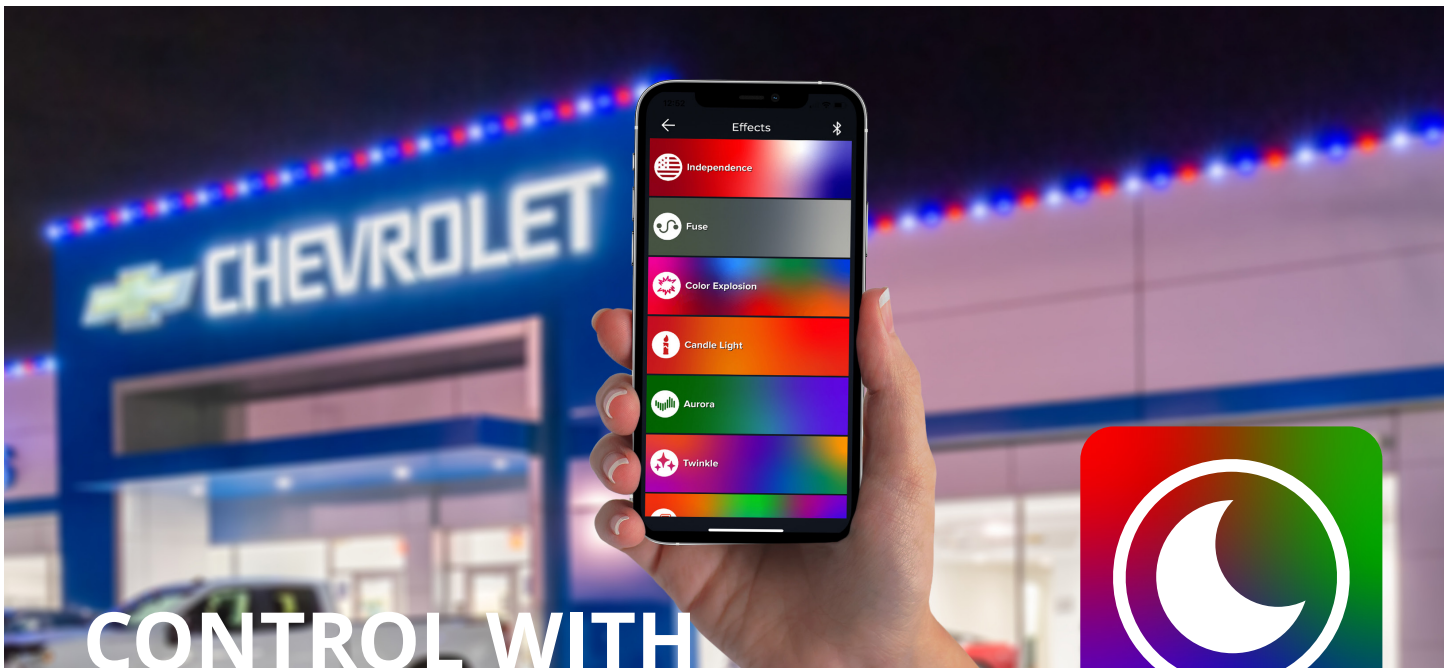

Keep your business and clients safe by having bright lights around your building that deter unwanted visitors. Be comfortable in your environment knowing you have full-sight outside your doors and windows.

BEST COLOR ACCURACY

Permalites® 365 has access to millions of colors that display every shade of color you can imagine. The possibilities are endless when you use the Decor Smart app to create every color combination you want.

CONTROL WITH ONE APP

Decor Smart

The Decor Smart app gives you full control of your Permalites® 365 system. The app provides you with the ability to control your lights in many ways. Never worry about turning your system on or off when you use the app to set a timer for your lights. Set them to automatically turn on at sunset and turn off at sunrise.

EFFECTS

Select the perfect color pattern from a wide range of effects for events that bring your city together!

RGBW SLIDERS

Searching for a specific color to display? The RGBW sliders makes it simple to adjust to the perfect mood!
